1	Letter No A5-599/37 dated 7-10-37 from the Municipal Commissioner, Bangalore city requesting sanction to the resolution of the Municipal Council to raise the scale of pay of the Licensing officer of the Municipality from Rs 100-10-150 to Rs 125-10-175 so as to give him the status of a Sub Engineer
1	In G O No L 4630-4 dated 5-1-35, sanction was accorded to the appointment of Mr B S Narayanaswamy as Licensing officer in the Bangalore city Municipality on a pay of Rs 100 p.m. in grade Rs 100-10-150 and a conveyance allowance of Rs 20 p.m. was also sanctioned to him as per G O No L 3541-2/ME 217-34-6 dated 13-11-35
	2 It is reported that Mr B S Narayanaswamy has been doing not only the licensing work of the whole city but is also entrusted with the execution of the public works of the Engineering Department of the Municipality since the beginning of 1937.
	3 The Municipal Council has therefore resolved that the pay of the officer be raised from Rs 100-10-150 to Rs 125-10-175 so as to give him the status of a Sub Engr subject to the condition that his ...

pay should not exceed Rs 155 p.m.
If Mr Narayanaswamy is getting a pay of Rs 120 p.m. on grade Rs 100-10-150 and it may take a few years more to reach the maximum pay of Rs 150 The question of raising the grade need perhaps be taken up only after the official reaches the maximum of the existing grade and when there is no chance for the official to get promotion. If any encouragement is considered necessary in view of the good work turned out by the official, this can perhaps be done by giving an advance increment on the existing grade itself instead of raising the grade pay which involving extra cost
5 Besides, if the grade is raised to Rs 125-10-175, the official will have to be given annual increments in the normal course and the condition specified by the Municipal Council that the maximum pay should not exceed Rs 155 p.m. may not be fulfilled.

Submitted for orders The financial condition of the City is unsatisfactory, with a deficit of Rs 2½ lakhs for 37-38 There was no necessity to have entrusted at this juncture the work of carrying out public works, which have been afforded solely for lucrative work in the city

7 Mr Narayana Swamy is now drawing a pay of Rs 120 p.m. in the grade of Rs 100 to 150, and he has not yet reached the maximum pay of the grade. It seems fair to consider the question of raising the grade pay to Rs 125-10-175 only after the said officer has reached the maximum pay of Rs 150 in the present grade. At such the motion of the Municipal Council that he may be given one increment allowance of Rs 25 p.m. and the difference of Rs 5 added on to his pay in the grade of 125-10-175 and stated as a personal subject to the condition that the maximum pay should not exceed Rs 155 p.m. pending to be effected for sanction for orders

2/10/37.

(Sd) K J S)

8 The main idea seems to give him the benefit of the Rule Engineer and his higher qualifications & special interest shown by him in his work

9 He is now drawing Rs 120/- in grade 100-5-150 and will draw Rs 130/- from 1-1-38 The maximum Rs 57- more than Rs 125- proposed by Municipality for a complete graduate man - The main point for consideration is whether he may be granted the Engr. personal pay of Rs 5-

10 Thus we also the proposal to increase his C.A from Rs 20 to Rs 25 p.m. This is also forwarded.

His Highness the Maharaja of Mysore,
L.S.G.Department, Bangalore.

Sir,

With reference to your letter No.L.5308/Ml. dated 14-12-37 enquiring whether the appointment of Mr.B.S.Narayanaswamy as Sub Engineer will preclude the appointment of another Officer as Assistant to the Municipal Engineer, I have the honor to state that Mr.Narayanaswamy is the Licensing Officer and that this proposal was only to give him a higher grade as he deserved it and not to make him an Assistant to the Municipal Engineer Proposals will be sent up shortly for the appointment of an Assistant to the Municipal Engineer

I have the honor to be,
S i r,
Your most obedient servant,

Forwarded with compliments,

Dear Sir,

With reference to the correspondence ending with your letter No.A5-599/37-38 dated 19th January 1938, requesting sanction to the proposal of the Bangalore City Municipal Council to raise the grade pay of the Licensing Officer of the said Municipality from Rs.100-10-150 to Rs.125-10/1-175, and also to give him the rank and status of a Sub-Engineer of the Public Works Department etc., I am desired to state that from a perusal of the resolution passed by the Municipal Council in the matter it appears as though the intention of the Municipal Council is, that, even after earning increments by the officer referred to, his maximum pay should not exceed Rs.155 in grade Rs.125-10/1-175, inclusive of the conveyance allowance and to request you to be good enough to intimate to this office, whether the above inference is correct.
